# About Us

**International Business Corroboration Consultants (SMC-Pvt.) Limited** is one of the leading general order supplies company in Pakistan. We provide a complete range of products/services that relate to activities necessary for a company to function, but are outside of their control, efficiently and economically, with minimum input from the client.

Our aim is to provide the best available supply solutions in the most demanding environments where lead times and supply locations are challenging. We have commitment, dedication and support of different business professionals and organizations of different fields to ensure best quality services and perfect goods required by our customers.
